# OUR MISSION AND VISION

OUR SCHOOL PRESENTATIONS USE REAL STORIES TO INSPIRE YOUNG PEOPLE TO ACCEPT ONE ANOTHER, TREAT EACH OTHER WITH RESPECT, MAKE THE RIGHT CHOICES AND SPEAK OPENLY ABOUT THE REALITY OF BULLYING, MENTAL HEALTH ISSUES AND TEEN SUICIDE.

## WHY WE DO THIS

- Since the introduction of the smart phone the number of teen suicides has risen each year.
- In the last 10 years the rate of suicides of 10 to 14 year olds has tripled
- 160,000 kids miss school each day to avoid being bullied
- 27% of teen students admit to harming themselves or having suicidal ideation.
- The rate of anxiety and depression among students has been dramatically soaring

## IMPACT POSITIVE

- Empowering students to speak-up and to seek help.
- Presented to over 25,000 students
- Over 50 schools in the area.
- More than 100 presentations.
- The program has been recognized by counselors, parents and teachers for having a positive impact on students.
- Most notably, students themselves have expressed the value of the program.
